

MEET THE TEACHER

About Me

My name is **Allyson Small**, and I'm one of the Twos teachers at The Heights Child Development Center. I grew up in Texas, but I've also had the opportunity to live in Alaska, Virginia, and Tennessee with my husband—who served in the military—and our daughter. After his service, we returned to Texas. From a young age, I knew I wanted to dedicate my life to working with young children. That passion led me to teach first grade in both Alaska and Texas, giving me valuable experience in early childhood education. As a mother, I deeply understand the importance of a child's development from the very beginning. I'm thrilled to be part of each child's learning journey in my classroom and eager to witness their growth throughout the year.
