

# MEET THE TEACHER

## \*About Me

Hi, I'm **Jane Beach**, the new Transitional Kindergarten teacher here at the Heights CDC! I'm so excited to be joining the team. Our family has been part of the CDC for many years—our oldest, now a third grader, started in the 3s class. I'm married to Doug, and we have three crazy kiddos: Britton (8), Emerson (6), and Jack (almost 4). We live in Wylie and attend Central Christian Church, just down the road. I hold a Master's Degree in Education and a Bachelor's Degree in Human Development & Family Studies, both from Texas Tech University. I taught 1st and 2nd grade for 10 years, then transitioned to preschool, where I taught 3s for a few years before stepping away to stay home with our kids. Now that I'm back in the classroom, I'm thrilled to bring my love for teaching and also the "mom skills" I've gained over the past eight years to the TK classroom. I truly believe this year will be a blessing for your child. I have a deep belief that preparing students well during this transitional year lays a strong foundation—not just for Kindergarten, but for a lifetime of learning. We'll play, explore, and grow together as we cement critical skills in a joyful, Christ-centered environment. It's an honor to walk alongside your family in this special season. My prayer is that each child in our class grows in both knowledge and the love of Jesus. One of my favorite verses as a teacher and mom is: "Start children off on the way they should go, and even when they are old they will not turn from it." - Proverbs 22:6

## My Favorites

**COLOR:** Red & Black

**FLOWER:** Gerber Daisies,  
Hydrangeas

**HOBBY:** Crafting, Music
