

MEET THE TEACHER

About Me

I'm **Jaci Robinson**! This is my 18th year at the CDC, and my 17th year with the Infants. I moved here from Oklahoma when I got married. I was blessed to bring my own babies here and see them graduate from our program! I've been married for 17 years to my husband Justin. We have 2 daughters-Ava and Evalynn! We live close to downtown Garland, and we go to Watermark Church, where my husband plays drums! I've always loved kids! I grew up babysitting, and nannying. This job has really blessed my own family, especially when my own girls attended the CDC.

My Favorites
