

MEET THE TEACHER

About Me

Hello! My name is **Kaitlyn Litmanen** and I am so excited to be teaching at The Heights CDC this year! I'm nineteen years old and graduated from Plano East in 2024, but I'm still figuring out what my next step in my education journey will be. I love to read, travel, and spend time with family. I also absolutely adore working with kids. It's so fun to experience the world through their eyes, especially when they're this little and seeing everything for the first time. This will be my first year as a teacher here at the Heights, but I've been around the younger preschool as a sub for a lot of last year and I babysit all the time. I'm looking forward to an amazing school year!
