## About Me

My name is **Michaela Sherlock** and I'm a dedicated child care provider. Prior to joining The Heights CDC, I have four years of hands-on experience caring for children in safe, engaging, and nurturing environments. I live at home with my father and grandmother, and family is a central part of my life. That closeness has helped shaped me to be compassionate and patient when working with children. I take pride in helping young ones grow, learn, and feel supported—and in giving families peace of mind knowing their children are in good hands.
