

MEET THE TEACHER

About Me

My name is **Natalie Truax**, and I am a younger preschool teacher at the Heights CDC. I am a wife to Chris, and mom to three kids (ages 9, 7, and 5). My family loves spending time playing games together, camping, and taking road trips. This is my fourth year teaching preschool and my second year at the Heights CDC. I love getting to care for young children and help them grow in many ways.
