

MEET THE TEACHER

About Me

My name is **Caitlin Barrick**, and this is my first full year to teach at the CDC! I have a degree in early childhood education from Texas A&M Commerce. I taught 4th grade for 6 years before going to work at my family's business, where I still work part time. I attend church here at The Heights with my husband, Jordan, and children, Cora (3rd grade) and Ezra (Kinder). I have worked with kiddos in some form for most of my life between helping in the nursery at church, teaching, and babysitting, and I'm excited to get to know your little ones this year!
