

MEET THE TEACHER

About Me

My name is **Heather Litmanen**. This is my 11th year at the Heights! My first year, I was a 3's teacher. Then, I was the music teacher for 5 years until I found teaching the 4's kiddos! If my math is correct, this year will be my 5th year as a 4's teacher. I have a Master of Occupational Therapy and handwriting especially has always been my passion. My husband Petteri and I have been married for 23 years. Our oldest, Kar Kar is finishing up her last year in nursing school. Kaitlyn, is working here this year in younger preschool at the Heights and taking online classes. And our son, Ethan is starting his senior year of high school at Plano East! We have a house full of pets which keeps me busy!
