

MEET THE TEACHER

About Me

My name is **Kayla Leach**, and this will be my 6th year as toddler teacher here at The Heights CDC. I graduated from UNT with a bachelor's in Rehabilitation, but have been drawn to working with children and chose to pursue my teaching career ever since. I have worked in a number of other childcare facilities, but The Heights has easily been the most rewarding job I've ever had and I can't imagine working anywhere else! My husband, Brent, and I have a son named Koby who will be going into the fours hallway and are currently expecting another baby boy to be born in early September; who will also be attending the CDC. I am so excited to love on all of your children over the next school year and look forward to getting to know you!

My Favorites
