

MEET THE TEACHER

About Me

Hi my name is **Lauren Chappell**. I am the wife of Craig and the mom to 4 beautiful kids. I graduated from Stephen F. Austin State University with a bachelor's degree in Family and Child Development. I worked in Early Childhood Intervention for 2 years before I had our oldest daughter. I was a Stay at Home Mom for 16 years and decided to come work at The Heights CDC last year when our youngest went to Kindergarten. I worked a little during that time at another preschool in the area for a couple of years until I had our 4th child.

My Favorites
