

MEET THE TEACHER

About Me

Hi! My name is **Sarah Chappa** and I am a 3's teacher at The Heights CDC. This is my thirteenth year teaching at The Heights and I absolutely love being a part of this community! I graduated from the University of Texas at Dallas with a degree in Sociology and focused my study on children and families. I have been married to my husband, Jason, for 23 years and we have two boys that are graduates of The Heights preschool. Jack is now a junior in high school and David is a sophomore and plays the vibraphone in band. I also have two cats named Luna and Cinnamon.
